U. S. Military Plane Down at Sea, 29 Lost

NAHA, Okinawa (AP)—A four-engine U. S. Marine transport plane carrying 29 persons crashed into the sea today 180 miles southwest of Okinawa. A U. S. destroyer which reached the site said it had found no survivors.

The DC-6 Marine aircraft was carrying 23 passengers and a crew of 6 from Alsgui, Japan, to Subic Point, Philippines, when it reported an engine failure and said it was ditching.

Cdr. John P. Crosby, operations officer of the Naha naval air facility, said the carrier Oriskany reported: "There are a lot of bodies in life jackets and the destroyer Perkins is picking up bodies. There are a lot of bodies and debris and dye markers are spread over a wide area."

Crosby said it was the Oriskany's planes which initially spotted the dye markers and directed rescue effort to the scene.

NAHA, Okinawa (AP)—A four-engine U. S. Marine plane, with an engine failure was reported down today 180 miles southwest of Okinawa.
Reports from Kadena Air Base said 42 persons mostly Marines, were believed aboard the DC-6.
The Air Force here said two F-102 supersonic jets and a search plane were immediately dispatched to the scene.
It could not be determined immediately, the Air Force said, whether there were any survivors.
The DC-6 was reported to be en route to the Philippines from Alsgui Naval Air Station in Japan.

Shooting and Burglary at Washington

A store burglary last night and a shooting yesterday at Washington are under investigation by Sheriff Jimmie Griffin.

Tuesday morning Georgia Johnson, a Negro woman, shot another Negro woman, Zephia May Delaney with a .38 cal. pistol. The bullet went completely through her body. She was described as in very critical condition at a local hospital.

Sheriff Griffin the shooting was the result of an argument between the two.

Last night burglar hit the Doug Chism Store at Washington and took \$30 from a cash drawer and some cigarettes. Entrance was gained through a rear window of the store.

Man Accused of Rape, Robbery

MEMPHIS (AP)—A Virginia man was accused by police today of robbing and raping a 40-year-old woman in her home while her 8-year-old daughter slept nearby. James Walter Short, 24, of Sandston, was charged with burglary, larceny and rape in connection with the attack on the woman, who was not identified.

Detective Chief Charles F. Young said Short broke into the woman's home before dawn yesterday, took her wallet and later returned to rape her.

Young said Short came here a few days ago to attend a trade school. He did not reveal the manner in which Short was arrested.

Tax Case Is Taken Under Advisement

ST. LOUIS (AP)—The 11th U.S. Circuit Court of Appeals today heard oral arguments in the case of newspaper publisher Alex H. Washburn of Hope, Ark., who is asking for an income tax deduction for expenses incurred in trying to void a state legislative act.

The court took the matter under advisement.
The federal Tax Court at Washington rejected Washburn's claim that he is entitled to take off \$6,023 in his 1955 personal return for expenses in preparing and circulating referendum petitions against the law passed that year exempting poultry and livestock feed from the state sales tax.

Washburn appealed to the court here.

The sales tax referendum was ruled off the 1956 Arkansas general election ballot on a technicality.

Since the tax litigation started, legislation has been proposed in Congress which would specifically exempt expenses such as those involved in the Washburn case.

There was no indication when the circuit court will rule on the appeal.

An appeal in the involved multimillion dollar income tax litigation of the Florida brothers of Osceola, Ark., is set for oral argument Friday.

Kennedy Ovation Brings Prediction

MEMPHIS (AP)—A thundering ovation for Sen. John F. Kennedy here Wednesday promptly from some Arkansas supporters brought predictions of victory.

Osceola Mayor Ben Butler, representing Gov. Orval E. Faubus, predicted Wednesday that East Arkansas would go Democratic. Voters also will have a choice of Republican or States Rights party electors.

Butler said he thought Kennedy "is going along with the farm program we want."

Kennedy didn't discuss his farm program in his talk, but his prepared text said, "there must be no squeeze through shrinkage of cotton allotments."

Rep. E. C. Gathings of Arkansas' 1st District said that there was "a lot of work" to be done for Kennedy in his area.

Assails Action of Russia in Congo Trouble

By RELMAN MORIN

UNITED NATIONS, N.Y. (AP)—President Eisenhower today challenged the Soviet Union to join in immediate disarmament talks with the aim of scrapping all nuclear weapons while U.N. inspection makes sure that space vehicles are launched only for peaceful purposes.

Eisenhower, addressing the 15th United Nations General Assembly as the first speaker of a major power, laid down a wide-ranging program which he said could help bring "progress toward a world community" based in peace and rooted in justice.

Premier Nikita S. Khrushchev sat intently in his seat in the Soviet delegation as the President began his 4,000-word speech shortly after 11 a. m.

Khrushchev is to speak Friday, just a little over a year after he laid before the assembly a plan for disarmament to which the Western powers could not agree.

The assembly, much as Khrushchev proposed, has become a sort of summit session. There are no plans for Eisenhower and Khrushchev to meet privately, but it was disclosed today that Britain's Prime Minister Harold Macmillan is to appear later before the assembly.

Indirectly assailing the Soviet Union for actions in the Congo, the President proposed that all 100 member nations in the U.N. agree to respect the freedom of new African countries and refrain from "sending arms or forces there."

He upheld Secretary-General Dag Hammarskjold against Soviet criticism and called for expanded help to Africa under U.N. auspices. He pledged U.S. aid toward that end.

But his words on disarmament attracted most attention because Khrushchev has come to this U.N. assembly with the avowed aim of discussing disarmament with other heads of state.

The United States, Eisenhower said, is ready to submit to any effective and truly reciprocal inspection system.

He criticized the Russians' walkout from Geneva disarmament negotiations June 27, just as the United States was submitting new proposals, and said:

"Time and time again, the American people have voiced this yearning—to join with men of good will everywhere in building a better world. We always stand ready to consider any feasible proposal to this end. We ask only this—that such a program not give a military advantage to any nation and that it permit men to inspect the disarmament of other nations."

UNITED NATIONS, N.Y. (AP)—President Eisenhower reveals his new blueprint for peace before the United Nations today, and then meets privately with four heads of state in a drive to outmaneuver Soviet Premier Khrushchev.

The 16-nation General Assembly buzzed with speculation about the detailed proposals in Eisenhower's speech.

It was reported that he would outline a gigantic program of assistance for the newly independent nations of Africa—which have become a major objective of Communist world strategy. He was also expected to present refinements of his "Open Skies" inspection plan. It is designed to prevent surprise nuclear attacks.

Khrushchev refused to disclose whether he would be present.

Travelers Capture the Southern

BIRMINGHAM, Ala. (AP)—Little Rock returned to the Southern Association this season after a year's absence and went home with the league's trophy—the Governors' Cup.

The Travs, who finished third in regular season play, backed Bob Leopold's solid pitching job with extra base hits at crucial points for an easy 6-1 victory over the Birmingham Barons Wednesday night.

This final series was billed as a 4-out-of-7 set but football, which crowded into the end-of-the-season show, cut it to a 3-out-of-5 match.

But for a couple of wild pitches in the 7th inning, Leopold, who

had only a 3-6 record in regular season play, might have blanked the Barons in the final game. Bob Micolotti's single, one of 7 hits off the husky lefthander, came ahead of the wild throws. The Baron shortstop scored on the second wild pitch.

The Travs got two runs in the first inning on a single and a double, and single tallied in the 5th, 6th, 8th, and 9th innings.

Fred Hatfield, Trav manager, third baseman, singled in the 5th inning and scored on Don Lasseter's triple.

The scene was duplicated in the Trav 6th, with Mel Geho singling and Jay Cooke hitting a three-bagger.

The 8th-inning score walked in Bob Dostal, who relieved Baron starter and loser Ron Nischwitz, loaded the bases and surrendered the pitching chores to Ron Morzinski. He walked Cooke, forcing in the run.

Coors Was Kidnaped and Killed

DENVER, Colo. (AP)—Millionaire Adolph Coors III was kidnaped, shot twice in the back and his body thrown on a mountain trash dump by an abductor who demanded a half million dollars in ransom.

A report released by the FBI late Wednesday hinted that Coors, 44, was dead by the time a typewritten note demanding the \$500,000 for his return was delivered to his family. No final contact was made with the kidnaper, however.

The FBI made public the report in announcing its withdrawal from the case, which began with Coors' disappearance Feb. 9.

Director J. Edgar Hoover said in Washington no federal statutes apparently were involved. He said the FBI is continuing its search for Joseph Corbett Jr., 31, as a fugitive from justice.

Corbett lived here for 3 1/2 years after escaping from a California prison where he was serving a sentence for murder. The FBI never has linked him officially with the Coors case.

Thinks Bobcats Will Lose to Smackover

By WICK TEMPLE

Associated Press Sports Writer
Fort Smith, top-ranked in the state this week after a stunning 85-6 upset victory over El Dorado, is a two-touchdown favorite to win its second Big Nine Conference game Friday night over Pine Bluff.

Both teams are unbeaten in two games and Pine Bluff is unscathed on as they go into the Arkansas prep game of the week. Fort Smith will have an added advantage this week in that star halfback Jim Vervack will be back in top shape.

Vervack was injured for last week's game with El Dorado, but quarterback Garland Tidmore's brilliant quarterbacking paced the Grizzlies to an easy rout of the Wildcats.

Little Rock Hall is a one-touchdown favorite over North Little Rock in the only other Big Nine game this week. It is scheduled tonight. Little Rock Central and El Dorado are favored to win non-conference games and Hot Springs is the underdog against Class AA Benton.

Crucial games are scheduled in all four Class AA districts this week. The favorites include Fayetteville, Stuttgart, Little Rock Catholic and Crossett.

Here's the outlook:
Fort Smith 14, Pine Bluff 0. The Grizzlies will give the Grizzlies a good ride at Fort Smith but at this point they don't have the depth or the defensive prowess to stop coach Bill Stancil's crew.

Little Rock Hall 13, North Little Rock 7. A good chance for an upset. The Northsiders are aiming for the Warriors.

Little Rock Central 20, Texarkana, Tex. 7. Texarkana may not be up to par for this one and Central is out to get the only team that holds a series edge over its teams.

El Dorado 13, Lake Charles, La. 0. The Wildcats should bounce back from last week's drubbing.

Benton 19, Hot Springs 6. Benton turning in top efforts against Central and Stuttgart, winning the latter, and is too strong for the Trojans.

In Class AA:
Fayetteville 14, Subiaco 12. A tossup and one that could mean a lot in the 1AA title picture.

Harrison 7, Springdale 0. Springdale hasn't impressed in two losses.

Van Buren 6, Rogers 6 (tie). The only way to pick it. Van Buren has faced tougher opposition but Rogers has the home field advantage.

Forrest City 26, Overton 0. Whistle stop for the Mustangs. Helena 30, Jacksonville 13. Helena has shut out three opponents. Not so this time, but the Indians are heavy favorites.

Stuttgart 13, Jonesboro 7. Jonesboro has had two weeks to get over a loss to Batesville, but Stuttgart lost by one to Benton last week and should be ready.

Newport 19, Walnut Ridge 14. Watch for an upset here.

Batesville 18, Paducah 12. Pioneers have offensive edge.

West Memphis 13, Earle 0. Wynne 27, Parkin 0. Wynne team to watch in 2AA.

Little Rock Catholic 14, Malvern 7. Another possible upset.

Conway 21, Russellville 6. No trouble for the Wampus Cats.

Mabelvale 12, Bryant 6. First triumph for Mabelvale.

Morrilton 14, Dardanelle 0. Morrilton unbeaten in two.

Camden 20, Fordyce 7. The Red-bugs will make it a good game.

Crossett 26, Magnolia 14. Crucial for the Eagles, and they have enough to take it.

Camden Fairview 19, Gurdon 0. No walk.

Smackover 14, Hope 6. Smackover should be ready after a loss to Fairview.

Yankees Need Five Victories for Pennant

By ED WILKS

Associated Press Sports Writer
The New York Yankees are within five victories of clinching the American League pennant with nine games to play—thanks to a little power, a lot of pitching and enough luck to break the bank in Las Vegas.

Since taking charge with that four-game, weekend sweep over Baltimore, the Yankees have rolled up 12 runs in two games and have won both—but only two of the runs, both homers by Mickey Mantle, were earned.

The Yankees took a 10-3 victory over Washington Wednesday with the help of nine unearned runs on four Senator errors.

It was the sixth straight win for the Yanks, and their 10th in 12 games, pushing them into a 4½ game lead over Chicago. The defending champion White Sox, who have eight games left, look over second place by beating Kansas City 7-2 Wednesday night after Boston had spilled Baltimore to third, beating the Orioles 4-1 behind Ike Delock's three-hit pitching in the only other AL games scheduled.

Any combination of New York victories and White Sox defeats totaling five clinches a 10th flag for the Yankees' Casey Stengel, who would tie John McGraw as the majors' all-time top pennant winner. The magic number is four over the Orioles, who trail by five with seven to play.

The Nevada bookmakers have conceded the flag to the Yankees, and have awarded the National League pennant to Pittsburgh, while making New York a 5-7 favorite over the Pirates in the World Series. The idle Bucs reduced their magic number to four when Los Angeles spilled second place St. Louis 5-3 in 12 innings.

Milwaukee beat Cincinnati 3-1 as Warren Spahn won his 21st in the only other NL game scheduled.

Mantle's 37th home run, in the fourth inning, was the Yankees' first hit off loser Peto Ramos (11-16) of the Nats, who left when New York scored seven runs, all unearned, in the fifth.

Whitey Ford (11-9) was the winner, after giving up a solo home run by Earl Battey and trailing 3-0. It was the seventh consecutive time the southpaw veteran, lifted for a pinch-hitter in the fifth, has failed to finish. Duke Maas mopped up with a two-hit relief job.

The White Sox beat the A's Bud Daley (15-15) with two-run homers by Minnie Minoso and Jim Landis. Herb Score (6-10) was the winner. Delock, (9-9) a 33-year-old right-hander, allowed the Orioles nothing but singles, struck out seven and walked one. Baltimore's lefty Steve Barber (10-7) was the loser.

hear the speech. He said he would go to the assembly today, but added, "I do not know who will be speaking while I am there."

Khrushchev, as well as the White House, appeared to rule out the possibility of a face-to-face meeting with Eisenhower.

When reporters asked the Soviet leader whether he would see Eisenhower, he replied, "Ask him. Let him reply instead of me."

Eisenhower mapped out an intensive program of personal diplomacy.

He invited 18 representatives of Latin American nations to a luncheon after the speech.

Then he arranged to confer with the president of Ghana, Kwame Nkrumah. Ghana is one of the most important new African states.

Nkrumah, arriving Wednesday night with 33 Ghana representatives, told reporters he would "possibly endeavor to see President Eisenhower and Mr. Khrushchev." He added that he definitely would confer "with all the African independent states."

Eisenhower's next appointment was with Prime Minister B. P. Koirala of Nepal. Nepal has been under heavy pressure from the Chinese Communists.

Prime Minister Saeb Salam of Lebanon came next on the list. Eisenhower dispatched U.S. Marines to Lebanon two years ago when the government was threatened by guerrillas.

Salam arrived in New York Wednesday night, declaring he hoped the United Nations would see to it that Algerians get to express their "own wishes" on the Algerian question. He said he had no plans to see Khrushchev as yet.

After Salam, Eisenhower meets President Tito of Yugoslavia. Years ago, the Soviets branded Tito a Communist heretic. He is now reported to be endeavoring to become the leader of the neutralist nations of the world.

But this was not all. White House Press Secretary James C. Hagerty said Eisenhower cancelled a cabinet meeting Friday in order to stay overnight in New York. He may see still more heads of government Friday.

Van Buren Turns Down Bond Issues

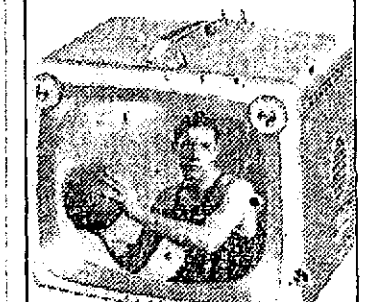

By THE ASSOCIATED PRESS
Van Buren voters turned down water and sewer improvement bond issues totaling \$1,200,000, while Blytheville residents approved a \$68,000 industrial bond issue in special elections Tuesday.

In Van Buren, a \$1,040,000 water and sewer revenue bond issue was rejected 606-834, while a \$160,000 issue for water improvements which would have carried a five-mill tax lost 602-845.

The Blytheville bonds, to finance an expansion of Hester Mobile Homes, Inc., were approved 931 to 105. Rentals from Hester will repay the bonds.

Pleas for Funds for State Agencies

MONTICELLO, Ark. (AP)—Southeast Arkansas legislators heard some pleas for more money for state agencies and some demands for economy at a meeting here Tuesday night with some 200 constituents.

Dr. Jack W. Mears, president of Arkansas A&M College, pleaded for more funds for all the state's institutions of higher education. He said money was needed for buildings and faculty salaries.

Art Moore, a member of the Pine Bluff Chamber of Commerce, was one of those who asked economy. He told legislators not to neglect appropriations in needed fields, but to "stay within levels of revenue."

Jordan Troops Mass

DAMASCUS, Syria (AP)—The Syrian press said today Jordan has massed between 8,000 and 9,000 soldiers along the frontier of the Syrian region of the United Arab Republic.

Political observers have expressed the belief that these movements were a prelude to a demand by Jordan that a U.N. Emergency Force be dispatched to the 200-mile Syrian-Jordanian frontier to guard against an outbreak between the two countries.

Plant Will Expand in Arkansas

STUTTGART, ARK. (AP) — The Westco Works of Fairbanks, Morse & Co. at St. Louis being closed and its operations will be divided between plants here and at Kansas City, it was announced Tuesday.

Certain Stuttgart operations of Fairbanks, Morse, which manufactures domestic, agricultural and industrial pumps, also will be transferred to Kansas City, the announcement said.

St. Louis production of election pump pumps will be shifted here. Other St. Louis production will go to Kansas City.

The announcement did not say just what Stuttgart operations would be transferred to Kansas City but C. Harold Johnson, who has been manager here, said he believed the production changes

would make employment at the Stuttgart plant "far less seasonal" than it has been in recent years. Johnson is being transferred to Kansas City to manage the plant there.

Paul McNally, formerly of Stuttgart, is returning to manage the plant here after a four years at F-M's West Coast plant at Pomona, Calif.

Kennedy will be welcomed by Mayor Henry Loeb and then introduced by Sen. Albert Gore (D-Tenn.).

The last Democrat to speak here as a candidate for president was Stephen A. Douglas, running against Abraham Lincoln in the 1860 campaign.

Dollarway Case Now in Appeal Court

LITTLE ROCK (AP) — An Eighth Circuit Court of Appeals mandate in the latest phase of the Dollarway integration case was received in district court here today.

The mandate follows an opinion handed down by the court Aug. 30. It sends the Dollarway case back to District Judge J. Smith Henley for further action but has no detailed instructions on how Henley should proceed.

Its implication is that Henley should ask the Dollarway School Board to submit a new plan of integration since it specifically holds Dollarway's present plan is inadequate.

A six-year-old Negro girl, Delores Jean York, integrated Dollarway's first grade Sept. 8 under the plan rejected by the court.

Under the plan, the board agreed to consider integration at the first grade level but for all purposes rejected any integration of higher grades this year.

Delores Jean and two other Negro pre-schoolers applied for admission to the all-white Dollarway School this fall. The other two were assigned to an all-Negro school under state pupil placement laws.

Seeks Data on Nikita, Nixon Talks

WASHINGTON (AP) — Sen. J. W. Fulbright, D-Ark., said today he has asked that the transcripts of conferences in Moscow last year between Vice President Richard M. Nixon and Soviet Premier Nikita S. Khrushchev be made public.

Fulbright, chairman of the Senate Foreign Relations Committee, wrote to Secretary of State Christian A. Herter about a series of articles on the Nixon-Khrushchev exchange written by Earl Mazo, a correspondent for the New York Herald Tribune and author of a biography of Nixon, now the Republican candidate for president.

Fulbright said he is informed by persons who have read the transcripts that "the full flavor is somewhat different from the impression conveyed in the articles." He said some people feel that the "complete text leaves small doubt that the Soviet Premier maintained the control of the course of the interchange, with the vice president in position of giving debate's answers."

Fulbright wrote that "the question of interpretation is one that can well be cleared up by a public release of the full transcripts." Fulbright also released a letter to Robert M. White II, editor and president of the New York Herald Tribune which syndicated the Mazo articles.

Fulbright urged White to support his request that the State Department release the full record. As the matter now stands, he wrote, "The American people have no basis to form an opinion of Mr. Nixon's competence, except through the mind of one man, Mr. Mazo, the biographer." At the State Department, a spokesman said, "I'm sure we'll consider the senator's letter and a reply will be made to him."

Sanity Test for Accused Embezzler

LITTLE ROCK (AP) — Frank Dennington, 41, of West Memphis, on federal probation for embezzlement, will be given a psychiatric examination before District Judge J. Smith Henley rules on his status.

Dennington received a one-year suspended sentence and three years probation after pleading guilty Feb. 24, 1959, to embezzling \$1,194 from the Bank of West Memphis, where he was a teller.

His probation status came into question Sept. 19, when he was charged in West Memphis with making a threatening telephone call to a real estate and insurance agent. He will be examined at the Springfield, Mo., federal medical center.

\$15,824 for State

WASHINGTON (AP)—Arkansas' share of resource receipts from federal lands will be \$15,824.

The Interior Department Tuesday announced the allocation of more than \$19 million to 26 states. The money comes from mineral leases, grazing leases, timber sales and other resource sales.

Arkansans Held in Bomb Threat

LITTLE ROCK (AP) — Three east Arkansas men charged in connection with a bomb attempt here will be arraigned in U. S. District Court next Tuesday.

The men—Emmett E. Miller, 44, and Robert L. Parks, 38, both of West Memphis, and Hugh Lynn Adams, 33, of Bassett—are free on bond.

They are charged with transporting dynamite from Memphis to Philander Smith College for Negroes here for the purpose of bombing one of the college buildings.

Miller and Parks were arrested at the college July 11. Adams was arrested at his home about the same time.

Ike Plans a Talk With Leaders

WASHINGTON (AP)—President Eisenhower today decided to stay overnight in New York Thursday so that he can talk with some of the government leaders attending the session of the United Nations general assembly.

In announcing this, the White House declined to say what foreign visitors might meet with the President.

However, there was no indication that Russian Premier Nikita Khrushchev would be on the list. Press Secretary James C. Hagerty has repeatedly said there were no plans for an Eisenhower-Khrushchev meeting.

Eisenhower's decision to remain in New York overnight came atop an earlier announcement that he would give a luncheon tomorrow in New York for representatives of 18 Latin American countries.

Students Tell of Red Race Incidents

FRANKFURT, Germany (AP)—Three African students have sent an open letter to the heads of all African governments charging "constant (racial) discrimination and threats" while they were studying at Moscow University.

Announcing their intention to "expose Soviet colonialism" before Premier Nikita Khrushchev addresses the United Nations, the three told a news conference in Frankfurt today that they and scores of other African students are leaving Moscow disgusted at Communist pressure.

They identified themselves as Theophilus Okonkwo, 28, of Nigeria, who said he was the secretary of the executive committee of the African Students Union in the U.S.S.R.; Andrew R. Amar, of Uganda; and Michel Ayih, 28, of Togo. All were medical students in Moscow during the last three years.

"We left—and others are leaving—because of constant discrimination, threats, restrictions on our freedom and even brutalities," Okonkwo said.

Democrats Plan Arkansas Drive

LITTLE ROCK (AP) — Arkansas Democrats "can't afford to sit around this year," says Pat Mehaffy of Little Rock, Democratic national committeeman, of the 1960 presidential campaign.

"We've got to get an active organization together to campaign for the first time since Al Smith," he added. Smith, the 1928 nominee, was a Roman Catholic, as is this year's candidate, Sen. John F. Kennedy.

Mehaffy said that in 1928 the ticket was strengthened in Arkansas by the presence of Arkansas Sen. Joe T. Robinson for vice president. This year the vice presidential nominee is Texas Sen. Lyndon Johnson.

Mehaffy said a Kennedy-Johnson campaign manager would be named soon.

67 Miners Drowned

TAGAWA, Japan (AP)—A swollen river burst into a coal mine early today, swallowing 67 miners who were given up for drowned.

Seconds ahead of the torrent 151 other miners scrambled to safety from the coalpit 50 miles southwest of Tokyo.

Hope for rescue of any of the 67 lost men virtually ended as 400 miners, police and firemen worked all day but were unable to drain the flooded mine or divert the 35-foot deep river.

UN Moves to Debates on Deadly Issues

By RELMAN MORIN

UNITED NATIONS, N.Y. (AP) —The United Nations moved toward debate today on the cold war's deadliest issues while violence raged in New York streets.

Soviet Premier Nikita Khrushchev was the target of two fierce demonstrations.

Militant police charged one crowd. Night sticks were used on another. Howling men and women retaliated, hurling eggs and firecrackers.

Persons who said they were Poles, Hungarians, Yugoslavs, Greeks, Albanians and anti-Castro Cubans swarmed through the streets.

They clustered around Khrushchev's Park Avenue residence, Fidel Castro's hotel in Harlem, and the Yugoslav headquarters where President Tito is staying.

Other groups paraded carrying pacifist signs, and still others carried placards bearing the slogan, "He be courteous."

Khrushchev complained after a police captain grappled with Gen. Nicola Zaharov, Soviet security chief.

A formal protest—brought to the floor of the General Assembly itself—came from Koca Popovic, Yugoslavia's foreign minister. He broke in his welcoming speech for 14 nations, newly admitted to the United Nations.

He demanded that the United States disperse the lines of pickets in front of Tito's headquarters.

"I request that the secretary of state forward my protest to President Eisenhower," Popovic said in icy tones.

Tempers were fraying and the atmosphere was ominous in New York.

It was against this background that the General Assembly began the second day of its deliberations—a day in which issues dividing the East and West were to come up for consideration.

The agenda for this 15th session is the heaviest in the Assembly's history, with 87 proposed subjects for discussion.

Some are listed simply as "Question of Hungary," and "Question of Tibet." Both were the scenes of bloody uprisings, one against the Soviets, the second against the Communist Chinese.

The United States has placed the item on Hungary on the provisional list of topics. The Federation of Malaya proposed the discussion of the events in Tibet.

The Soviet Union in turn has proposed that the Assembly deliberate the problems of the Congo, the seating of Communist China in the U.N., and the "menace to world peace created by the aggressive actions of the United States of America"—probably based on the U2 case and the shooting down of the RB47, an American plane.
